**„Assistance and Services for Asylum Seekers in Romania”**

2017

The general objective of the project is represented by the improvement in the status of asylum seekers in Romania through the promotion of a complementary social and material assistance system and specialized services aiming to increase the living standards of asylum seekers in Romania.

Budget line:

The Fund for Asylum, Migration and Integration

Reference number: FAMI/16.03.02

The second implementation phase

- The following services are offered through the project:  
Assistance, counseling and complementary facilities, consisting in providing information on the ensemble of socio-economic rights and legal obligations (other than those referring to the asylum procedure);
- Support for accessing the available public services for at least 90% of the total number of asylum seekers enlisted in the project, concerning: the labor market, the educational system, the social insurance system, obtaining accommodation and cultural orientation;
- Effective material assistance granted to asylum seekers in order to improve the conditions of reception and of living standards;
- Activities for orientation and getting accustomed to the Romanian society (Romanian language courses for minors, recreational-cultural activities, the development of professional skills for adaptation to the characteristics of the Romanian society etc.)
